**Dear guest,**

We kindly ask you to note the following:

### **Menu:**

We would like to ask you just to choose one consistent menu per party. Because all of our ingredients are freshly prepared, let us know your choice and the definitive number of persons at least 2 days ahead of your event.

In case you arrive with fewer people, than in advanced booked, please understand that we have to charge you the full price per absent person.

### **Dinks and Wine:**

For the aperitif and wine we would recommend an order in advance. Eventually the vintage of wine can change.

We thank you for your understanding, and looking forward to welcoming you in our restaurant.
